“ Dear Art and family,
I graduated from pharmacy school with Cathy and we interned together at Baptist south in Montgomery. I am so sorry for your loss as Cathy was such a bright light in this world and such a wonderful person. I know she will be missed but never forgotten. She was such a life force in this world but I know she was welcomed into heaven. May the peace that passeth all understanding be with you until you meet in heaven again.
Sincerely,
Susan Swink

“ Art and family- so sorry to hear of your wife's passing. Even though I didn't know her it brings back memories of my mother passing away in 2018 and the many times you helped me with her medicines and care. Our thoughts and prayers are with you and your family.

“ Cathy was a great coworker and friend. She was so helpful to me when I worked in Surgery at Prattville Baptist. My heart hurts for you, her family. I'm thankful you and I will see her again! She is in Jesus' arms - where I will land when it's my time. God bless you with comfort and peace.

“ *I had been acquainted with Cathy through singing in the choir with her, but I didn't really get to know her until we travelled together several years ago for an Operation Christmas Child mission trip to Atlanta. She was a precious person, with a wonderful sense of humor, a devotion to her family, and a love for her Lord. She will be missed.*

“ I had just made her a few T-shirt's that she wanted and she had showed me her beautiful new quilts that she was making a few weeks ago. We had made plans to get together soon and sew together. What a blessing and an honor to have known her and to call her a friend for several years now. I know she loved the Lord and she is celebrating with her family and friends and her Father in Heaven. The nicest thing I can say about her is I have no doubt the Lord met her with big open arms and said well done my good and faithful servant, well done! Prayers and blessings to you all.
