“ *I've loved Mullet for 61 yrs, She was a like a sister, a friend and mentor, I remember fondly listening and watching her play the piano for our church services for many years , sitting next to her in the choir trying to copy her beautiful alto voice, and the happiness when she would clean her closet and give me her"hand me downs" it was like Christmas. In 1957 we were sitting together during a revival service when the Lord spoke to my heart, I turned to her and ask"what do I say" she answered " you'll know." I was 7 she was 10. She was right! I will love and cherish her sweet memory all of my life!
My prayers for her mother and family are for Gods comfort and reassurance we will all be together again one day!
Lovingly, Lydia Clark Coker*

“ *Though I did not personally know Ms. Gibbons, I want to express my deepest sympathy to her family. No doubt the loss of such a dear loved one will be felt by many. Long ago the faithful man job asked if an able-bodied man died could he live again. The comforting answer is yes. Our God the Creator yearns to bring back to life those who have died. (Job 14:13-15) May this and other promises recorded in God's Word the Bible continue to comfort your family in this critical time.*
