I met Chaka when I began to work her at MAMHA and truly enjoyed being in her presence because she was very delightful, always had a smile and an encouraging word. She will truly be missed by me as she was like a daughter to me, always wanting to help me in any way. I will miss our many many continued phone conversations. To the children, her parents, siblings and other family members and hosts of friends, she may be gone BUT never forgotten. God will give each of you what you need during this time, especially comfort. Eternal rest be granted unto Chaka O' Lord, may your perpetual light shine upon her, May she forever rest in peace, AMEN.
