“ My husband is a truck driver. He and I were out in the middle of nowhere in Texas at a truck stop eating. All of a sudden I heard a man say, “I bet you don’t know who I am” as he sits down. I smiled and told him I knew who he was. Hadn’t seen him since I was little. We had a nice visit and then we were all back on the road again. It really is a small world and I’m glad he recognized our truck and stopped to see us all the way out there in Texas. He was such a sweet man.
