“ *To the Causey Family:
May the comfort from family and friends continue to strengthen you during this difficult time, and may you find comfort in the words found in the last book of the Holy Scriptures: "And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away."*

“ *I first met Charles in 2010 when I started to work with Bureau Veritas, and worked with him over the years on several projects. I called him my "classmate", since we both graduated from small rural high schools in 1960. I especially enjoyed two visits to his beautiful home place when we were preparing for the Texas DOT exams in 2012. Charles carried out his work in a calm friendly manner and was highly respected by his co-workers, clients, and those whose work he inspected. We will miss him. Our heartfelt condolences go out to his family and many friends.*
