“ I'm just now finding out about Mr. Chuck passing! I'm so sad I didn't know until now! I knew him from the Prattville medical park where he was a volunteer. He fondly greeted me at the door every time he saw me come in to my office & gave me the biggest hugs. He was such a great man and i'll forever remember his kindness!

“ I am so very sorry to hear of Mr. Keene's passing. I have known him since I was a child and he had a huge impact on my life. He was my diving coach as well. He was one of the kindest, most caring and loving people I have known and even though it has been years since I had seen him, I will miss him very much. He was larger than life. He impacted so many lives and will be remembered by many with love and a smile. Thank you Mr. Keene for being a part of my life growing up. I am sending prayers , love and hugs to the family. May God wrap His Loving Arms around you all during this difficult time.

“ *We are so sorry to hear this. Chuck was always so friendly and didn't seem to meet a stranger. His outgoing spirit served him well because he was always there for everyone to lend a helping hand or words of encouragement. GOD Bless you, the family. May you be comforted by the GRACE of GOD that Chuck served through his life before JESUS. GOD Bless! Linda and Kenny Reynolds*
