“ My family would like to send our condolences to the Griffith family for the loss of your dear loved one. May you find comfort and hope from the bible promise at Isaiah 25:8. Pray constantly, avoid isolation, and lean on God as you cope during this most difficult time.

“ Charles Wayne and I also had a mutual admiration society going. We were less than two days being ten years apart in age but we were always close. I guess it was because I was always the protective Aunt that tried to make life a little easier for my favorite older brother's son who was oldest of his siblings. Our birthdays were the 13th and 16th of February so we shared a lot of our birthday parties. I have so many memories of him that it is hard to pick just one. I only know I loved him and always will. “ Chuck was a rare human being. He was always looking out for the good of others, was an amazing coach and role model for our youth, and a true friend. He will be missed and our lives have lost the blessing he was to us. Rip Chuck. May family and friends be comforted but also smile as they remember the joy he brought to all...

I think of all the childhood memories, the hopes and dreams we shared. Our lives have gone separate ways and many miles apart but we were always close. Love, your aunt Barbara.

My dear friend, we go back a long ways....I have such loving and warm memories of you and Laurie. I can honestly say the only time I got mad at you was when you moved your beautiful family from Casa Grande Az. I wanted to lay in the driveway to keep you from moving....please watch for me...cause I'm sure we'll meet again...
