“ Coach Irwin was my bus driver during my school years. I won't forget the days I rode Bus 77. He was always nice and polite to me. I saw Coach Irwin several years ago in a local restaurant. After all the many years that had past, he remembered me. His wife was so sweet.
He leaves a wonderful legacy. Praying for the Irwin family.

“ I remember "Mr. Irwin" as my 8th grade American History teacher well. he made the history interesting and was well respected. Later when he was principal, my sons went through PV Jr. High. If I remember right, my father was one of his teachers. I also appreciate his sincere faith in Christ and the way he lived it out.

“ Mr Irwin was my bus driver for many years as a kid. Bus number “77”. He always picked on my brother and I and Ricky Mattson called all three of us the Roggio boys. He made us sit up front. He was a great guy back then I haven’t lived in Alabama in years so I haven’t seen him but Rest in Peace Mr Irwin your memory will always be a fine one!! Best wishes to The Irwin family.

“ Jim and I want to tell you how much our friend, Charlie, meant to us. We have so many memories. Especially all the great times we shared at Crestview. Every Sun. Charlie would have butterscotch candy to share with us. He and Cynthia always set behind us in church & we enjoyed worshipping our Good Lord together. They were a big part of our lives and we will never forget their friendship and how much they meant to us. May God be with you and give all of you the Peace that only He can give.
Our love and prayers are always with you.
Love,
Jim & Connie Parsons

Mr. Irwin was a good man and influenced many young lives. He was a coach, a mentor, Christian example and tough when needed. I remember him from my youth at our church and from the Autauga County school system. Rest in Peace Coach.
