“ I am very sorry for the death of your dear loved one. Although the pain will seem unbearable at times, please find comfort that there is a day coming when this earth will be filled with happy people and peace will be everywhere and Nicole will be there to enjoy it (Psalms 37:10,11,29). My sincere condolences to you.

“ We had some good times together. Remember when you first got your jeep and you me Randy and Buddy took it through the mud! Or when we drove up to bham to see Dusty!? Or how about the time you let me drive your tiburon.. I don't know how to spell it! Or all the times we would be dumb and sneak out to go mud riding with he boys.. You made my childhood that much better and I'm forever grateful.

“ The Day we went shopping for my son that entered a program, he had nothing but between her and the whole Development Department he have plenty of things. We took about 4 hours through the day getting him close and then going to Walmart and buying all his personal stuff. Heather Henderson and Nikki brought him the most to make sure he's look good and smell good. All glory to God she had such a beautiful heart I'm sad and I miss her and I know she's in a much better place and she's laying at the feet of Jesus.

Although I did not know your loved one, I wanted to say I am sorry for your loss. Draw close to God, and He will draw close to you..." (James 4:8) By doing this you can be sure that God will give you the strength you need. " God is close to those who are broken-hearted..." (Psalm 34:18)
