“ God places people on the same paths at different times in their lives, some travel together for a very long time and some for a short time. Cindy has been my friend for 3 years. I will forever be grateful for God placing us in the same place and for the blessing of her wonderful friendship! To know Cindy, is to love Cindy. She is my loving, kind hearted, giving, full of Faith-God loving friend...I have truly missed her for weeks and I know I always will. I miss seeing her, waving to her, getting text from her...I hardly ever got a text that didn't end with a
“Love you “! She was a Blessing to many. All of us here are sad but I know that Cindy and All of Heaven are Celebrating! Thank you Cindy for your friendship! “Love You”!
