“ I'm going to miss you and your gift of making people laugh. You were always a clown and everybody loved you. From telling subs that they were so fine you could drink their bath water to walking in the freezing cold to my house just to hangout, I'm really going to miss you. I'll never forget you or the great memories we share. I hope you found whatever it is that you were looking for. I love you. Rest easy, "The Best Guy Ever"

“ I'm still not sure how we are supposed to feel about this. It's all so surreal. There was never a bad day around you, you wouldn't let anyone be unhappy around you. Your smile and your laugh was infectious and I will always cherish our talks. I'm so heartbroken that you are gone. I will never forget you Ray. I hope you know how much you were loved. RIP sweet boy.

*I did not know Ray, but my daughter and granddaughters did. They thought highly of him, I only heard good things about him. He was always ready to help them with whatever they needed. It is so sad our world has lost another good guy. RIP Ray*
