“ We were saddened to hear about Cliff. He was a very nice person, always friendly and extremely kind. He will always be remembered by Bobby and Kathy, who were classmates all during high school.

“ I was so sorry to hear of Cliff's passing. We were close friends in high school, growing up in South Norfolk. We both played football and shared many good times together. My only regret is that I lost touch with him over the years and wasn't there for him at the end. Please accept my condolences and my thoughts and prayers will be with the family.

“ Although I did not personally know Mr. Bishop, I want to express my deepest sympathy to the family. No doubt the loss of such a dear loved one will be felt by many. Long ago the faithful man job asked if an able-bodied man died could he live again. The comforting answer is yes. Our God the Creator yearns to bring back to life those who have died. (Job 14:13-15) May this and other promises recorded in God's Word the Bible continue to carry your family in this critical time.

“ I read in todays local paper of Cliftons passing. We went to Oscar Smith High School together and Clif and I had Homeroom together . We were very close our Freshman year and friends throughout school. I am so sorry for your lose and although its been many years I just wanted to say Im sorry and that my memory of Clif is that of a good kind and careing man who was a friend . Those things seemed to have only grown over the years and He was a good friend who will be missed. Lee Bozeman Class of 1967 Oscar Smith High School.

“ My thoughts about how Cliff taught us how to live life through struggles and how to love a wife are here. <http://blog.annedrian.com/2012/05/fighting-and-loving.html>

I pray Nancy will continue with the strength that she has held so well for so long and that God will give her peace in knowing that Cliff lived a wonderful life, influenced us greatly, and that she was the most important person to him.
