“ *Micah was a man among others who call themselves a man. He was a father among others who call themselves a father. He lived a short life in the number of years that he was giving on earth, but he made the most out of the time he had. God bless his family and help them find comfort and peace.*

“ Micah took the first pictures of my daughter ever. I wouldn't allow the people at the hospital take any because I knew they couldn't take any that would compare to his pictures. I will forever remember that. He's the best photographer that I know. He was a great person all the way around. Always smiling and laughing. I will miss him.
