“ Pam I remember our kids growing up together. We would spend New Year's watching fire works. One News Years eve Corey thought he was old enough to shoot the bottle rockets. That was until he lit one and didn't move quickly enough and it flew inside his mouth. Scared us but he came up laughing. His smile and his laugh is my favorite memory.  
My prayers are with you. ❤️

“ It was an honor to be able to know Corey for 20+ years & call him my friend. Corey was someone who made sure you were happy and smiling around him! He didn't accept anything else! He was so funny & so sweet! I always told him he looked like a gerber baby & he blushed every time and would say, “Aww shucks Ash!” He will be missed! I'm so happy to have contact with his sweet family! Rest Easy, my sweet friend! Until we meet again! 🤍🕊️🦋🙏

“ So very sorry to hear of Corey's passing. I know he will be missed. He was my step grandson for over 17 years, but I have known him for most of his life. I hope God will watch over his family, especially his daughter Maddox, and all his friends. May God bless you all.
