“*Donnie and I were partners in crime, when we were younger. He liked to talk about how crazy we were. He was a dear friend. Donnie had a smile that would light up a room. When Donnie got sick, he was blessed to have a devoted family around him. He will always be in our hearts.*

“ Rick and I are so very sorry for your loss. Our hearts are breaking with you and for you. Donnie was such a fun loving, laid back, easy going friend anyone could have. Rick has shared so many wonderful, funny & crazy childhood stories about Donnie & Dip with me over the years that I just have to shake my head and smile. I am so thankful that Donnie had such a fulfilling life and was so loved by everyone. That being said, all his friends are going to miss him more than he will ever know. Sending lots of love your way, we know Donnie is now at peace and with so many loved ones that preceded him in death.
