“ Cuba was truly one of the sweetest and most selfless people I have ever met. She will be missed , but I know her kindness will live on through her family.

“ Cuba was like my 2nd Mother, I met her daughter (and son) while we served in the military. I remember visiting Mr an Mrs Welch and eating steaks, fresh vegetables, and sweet tea. I had many a good memory with this family and know that Cuba will be greatly missed. She and Felix are together again and no telling what they are up to.

“ I learned of Cuba's passing too late to visit with her family and attend her service. Cuba was such a sweet and loving person who adored her family. She was also the best cook in the whole world. Wish I had a big plate of her fresh veggies right now! She and I spent lots of time talking and solving all the world's problems! I know you all will miss her tremendously, and my thoughts and prayers are with all of you - the family she loved so dearly!
