“ Russ and Dianna, I am so very sorry to learn of Curtis' passing. I just saw this today, and I apologize for not keeping up with my friends better! I can remember y'all adding Curtis to our prayer list in Sunday School some years back (I've been serving in the nursery area for a lot of years now). I'm praying for God's peace and comfort to cover you both now and in the coming days. I know you are missing your son tremendously. My love to you both and all your family.

“ *To Curtis's Family*

I was Curtis's Supervisor at the Post Office For Many Years, when he work in the Automated Letter Section on the Machines. Curtis was one of the Best Employees.

He would performed his job extremely well. Curtis was a good and gentle SOUL in my opinion. I never saw him angry or extremely upset, especially, given the culture of the Post Office. He got along well with all his co-workers as far as I know.

He was extremely Proud of his weight Loss Several Years ago, as all of us, were proud of him.

I would ask Curtis "What's for Lunch?" Curtis would say " this Little Bottle of Water".

Curtis was dedicated to his duties. Myself and other Supervisors knew if Curtis was in charge of something it would be done Timely and Correctly.

Curtis will be Missed.

I retired in 2017 but I will never forget my FRIEND, CURTIS NANCE.

To the Family : Be Strong

God is in Charge.

Have Faith. Everything will be alright.

You all have my condolences.
