“ We are just hearing of Cynthia's death and are so deeply saddened. Cynthia and my son, Braden Lee, went to the prom together in high school. We loved Cynthia and at that time she loved cows.....wondering if she continued that love. She was truly an amazing young lady. In fact, she gave Braden a Bible for his high school graduation and I have used it for many, many years...it is falling apart! I know you must be a fine young man to have Cynthia choose you to marry. Your girls will continue to bless you through your life with Cynthia's spirit. In Christ's love, Karen Lee

“ I was deeply saddened to hear of the passing of Cynthia. Cynthia has been a friend of my daughter since they met in kindergarten, when they were both 5 years old. I remember how she always seemed to be laughing and had a smile on her face. She was so much like her mother Mary, who was a friend of mine. I remember Mary as a sweet woman with a big smile and heart to match, which is where Cynthia got her wonderful kind spirit. My prayers go out to her husband, daughters, as well as the rest of her family. She is one of God's angels now, sitting with her mother watching over all those they loved so much!

“ Mike, I was so very saddened to hear about Cindy's passing yesterday. It was a joy getting to know her through Zack and Sarah's friendship from their preschool days. I will always treasure the days we spent at the park watching the kids play. I have prayed for you and the girls many times today and will continue to do so. A verse in Psalms reminds us that The Lord is close to the broken hearted and saves those who are crushed in spirit.
