“ David, Jeff & Stacy you are in my thoughts and prayers. I loved her like the sister I never had she was a very special friend. I am going to miss our phone calls more than you will ever know, we could talk for hours and giggle act like a crazy bunch of kids. when something worried me and I needed advice she was always there for me. With her gone another piece of my heart is gone. I can't be there in person but I will be there in my thoughts and prayers. I pray God gives all of you and myself the peace and comfort that only he can. Rlp my friend you deserve it. I will always love you ❤️ 🙏🙏🙏
