“ *Timmy, I'm sorry to learn of the passing of our precious Bo. I know your heart is broken and I pray for healing for you! Bo was always a very special person, I knew this from the time he was a baby, the first time I held him in my arms, so sweet and loving. He grew into quite a young man. Still always loving but with a strong mind of his own, he definitely had his own personality. I remember how much he loved to turn his music up and listen to it. Everytime he would get in the car with me, that was the first thing he would do. He could talk me out of more CDs than anyone and I was happy to give them to him. I knew how happy it made him! I would have done anything for Bo. I love him and I will miss him. God has another angel now. I will see Bo again one day in heaven!*

“ *Danny Rae, Tammy and Lynn*
I am so sorry to just learn of Bo's passing. I've known him since he was a baby; he and Kimberly learned to walk at the same time (when we lived in Robinson Springs (you guys lived upstairs and we mlived downstairs). Melicia and Tammy became inseparable friends, as did Bo and Kimberly. When Bo and Kimberly were growing up Bo always called Kimberly his girlfriend (and he was serious about it). She called him her Bo. They had a real loving friendship, carried pictures around of each other over Bo's lifetime. Kimberly will be saddened to hear of his passing just as I am. Bo was a very special person, he always brought a smile to my face! We love him and will miss him, but we will see him again in Heaven!
