Dannielle I love you and I always will. I know that your in Heaven smiling down on all of us and that you are in a better place where there is no pain,sorrow,or tears. I will always miss you everyday of every minute and I promise to keep our 4th of July tradition every year. Lanie and Kennon miss you and love you and they hold you in there hearts for always. They were DeeDee's babies and you mean so much to them just like they did to you. I will try and put my tears in my pocket and save them for another time cause I know that you would want me to be strong for our families. We will always miss you and we always keep you in our hearts forever. Love, MeMe,Lanie,and Kennon

“*My Dearest Danni Annie...Tia will forever miss your contagious smile, your laugh, our phone calls and the tears we shed. You fought a long hard fight but now you are at peace. Fly my angel and be free. May you rest in peace and watch over all of us down here. To my sister Renee..we aren't suppose to bury our children or stand and watch our siblings bury theirs. May God bless you and give you peace in your heart...your gift of life twice, when she was born and again when you gave her a kidney, is something she really did hold near to her heart. Will for standing by them both during some very rocky times and always being there for both of them, thank you. Jamey and Jordan Tia loves you both and through this very difficult time hold close to your heart all the memories you made together but most of all know how very,much she loved you. Jordan focus on school and making a good life for yourself...she would still want that for you.*

May you now rest in peace and be free of pain. I love you my precious angel...I miss you so much...fly free.

Love Tia

“ *Danni girl you were one of my dearest and best of friends. I knew the day we met selling Tupperware we would get along just fine. I will remember all the fun times we had. Some more colorful then others. When the time comes that we get to see each other again we are going to paaarty. We always had fun drinking in the Spirit and I am going to miss you like crazy.*
