“ I have such wonderful memories of the family when we lived on Adell and ya'll were next door. The kids hung at both houses, ate meals together and played card games. Christmas was extra special with your family. I remember Danny & his outside decorations. It fascinated me that he would climb on the roof to get those lights up there! We have shared alot as the kids grew; shopping for flowers at his place of business, graduations, and even our kids weddings. What a joy he was to be around. I am praying for comfort for Kathy and the boys and their families. We can know that he is whole and pain free and have comfort in knowing you will see him again!

“ My heartfelt condolences for the family. Danny was such a good person and friend. He gave snacks to my granddaughters when they visited the feed store and also treats for my dog Sadie. He always had a smile on his face and always loved to pick on me. He will be missed by so many. God bless.

“ Danny(Buc) Charles Taylor we went and did so much together. Was so glad I got the chance to come see you a few weeks ago. We talked about a lot about what we did. Playing basketball at your house with Gary, going with your family to Gatlinburgh, our time at College , the apartment we shared. Playing cards we could make Kathy and Mary Lou so mad. We did a lot together and am going to miss you. The thing I think of now is you are pain free and at peace. Until we meet again, love you man.

“ Danny and I graduated from Glasgow (KY) High School together in 1970 and played organized league baseball together. He was always the funny guy on the field that encouraged everyone...he was also the Home Run King. I remember is younger brother Gary was at all the games with their family! Although I have not seen Danny for years, he will be missed by me and all of our classmates! Our thoughts, prayers and fond memories go to Danny's Family and Friends! Paul Biggers
