“ I'm going to miss mr. David so much he was a great man. He did alot for me and my family. I considered him as a funny Uncle that would joke around but also spoke seriously. I met him and his wife at the billingsley fire department. He did alot for the fire department. My best memory is when he joke around and say long story short knowing his stories we're never short lol during the meeting me andy sister would count howay Times he said that and then walk up to him and tell him how many times he said it. It was just make him smile he knew we were messing with him. But I loved that about mr. David. Love it so much. Him and mrs. Chandler has always been there. Specially when my mawmaw passed they helped alot so I want to give back.
I'm praying for his family. And I love y'all.
