David, the Emmaus kitchen will never be the same without. And I'll never eat another pancake without thinking of you. Our prayers are with GeneAnn and your family. We will miss you but we know you are praising Jesus with Braxton.

“ David was a kind soul. He's my neighbor. When my husband passed he would take the time to just make sure I was ok. GeneAnn and David are busy doing God's work.

We are on knee's praying for the family of David Mullins. With a heavy heart we ask that God lift this family of sadness and help them celebrate his beautiful life for all the people David touched in his time shared on this earth. God please allow your grace and comfort to help his wife and children and family members with his new calling as a heavenly Angel to protect the ones he loves as he watches them from high in a beautiful heaven you have prepared for him. We love you Heavenly Father and we Thank you. Amen.

“ David and I spent most of our time together serving at Emmaus walks. Two memories, one to show that David was a godly man and the other to show how he sometimes said or did things to make you laugh. (1) We were traveling back from Emmaus late one Friday night and came upon a serious traffic accident scene near Tallassee and David had me stop and pull over so we could pray for the victims involved. (2) We were walking "up the hill" at Camp Alamisco two by two, in silence and David was up front (he was serving as an assistant spiritual director) AND a snake was on the side of the road in the grass. When David saw the snake he broke silence and two by two. In closing and on a serious note, David was a man who loved the Lord, had a serving and giving spirit and a very dear close friend and I am going to miss him.

“ It was an honor to know you through out school and a larger one when we came together for our 30th high school reunion. You were larger than life and exuded it more when you stepped out of the boat on faith to answer God's call. I thank my home church for uplifting you and encouraging you and Gene Anne to follow God's command. Shalom my friend! Until we meet again!

“ We know that you are dancing with Jesus now David because you are finally Home. Save a dance for us. We will miss your great stories and your wonderful laugh. Can't wait to see what color hair Abba Father gives you to go with your new pain free body. Whatever the color we hope it's a head full of curls. Rest in the loving arms of the Great Physician. You fought the fight now it's time to praise our Lord!

“ We are heart broken, as we know you are. We have such wonderful memories of David, he was such a lovable guy. Our greatest memory will be the day we presented David with his Quilt of Valor. He so deserved it & every stitch was stitched with love. Please know that we are continuing our prayers for comfort & strength in the coming days, and for peace in the days following.
