“ *David was my best supervisor ever, my mentor and friend. I would not be who I am or where I am today without his stern fatherly guidance, lectures and genuine friendship. I mourn his passing greatly. I know his love for his family and his beloved K. We shall all look after her, our friend.*

To K (Kathleen) and family I want to let you all know my deepest thoughts are with you all right now as you lay Dave to rest but also wanted to express my sadness of losing another friend in Delphi where we met. I will always remember his love of Abba his friendship, and our many laughs around the forums we shared in over time. He made some very genuine connections and will be missed greatly....r.i.p mate and find Acey ... have a ball wherever u may be..!!
