“ Dede was a very special person and friend. Lenny and I have known her for years through our exercise classes and as a bowling team member. She and her family have meant a lot to us. She is with God now, free of pain and watching down on us all. Will miss her dearly. Judi and Lenny

“ I want to let you all know how sorry I am about your mom passing! She was such a precious & loving friend to me & my family over the years we've known each other! She was my maid of honor when I got married in 1959, and we have always kept in touch even when our lives took us in different places in different states! She was such a sweet person with her love & devotion to everyone she met & especially her children & grandchildren! I know you will miss her so much as I will! Please give our love to your whole family as you all feel like my family too! Take care of yourselves & know that she is not hurting any more and she is in Heaven with her Lord and one day we will see her again! Love you all! Betty & Merriel
