“ I will never forget memories of our childhood. As adults, especially when we live away from each other, we tend to lose contact, which I hate this happens, but it does, but I always have my cousins in my heart. I remember Diane's laugh. While I am writing this I can hear it. I wish we could have been a part of each other's adult life. My sister told me she looked back at all Diane's photos and she saw how much love Diane had for her family and how much time they spent together. My sister was blessed just by Diane's Facebook photos. She said she saw how much love Diane had in her heart. I love you Diane and you are blessed to be in the arms of your Father.

“ *Diane was such a kind lady and I was blessed to know. My fondest memory of Diane is when she helped me in Sunday School when the other teacher was out. Her youngest grandson was one of the preschoolers in our class. It is a memory that I cherished. I am so thankful that I got to see her during Christmas week when I took them a Christmas flower arrangement. I will miss her so much. Praying for the Burns' family.* ❤️🙏❤️

“ *Oh Mrs Diane was such a light that will truly be missed! She was a mentor for me during Apples of Gold. Watching the light in her eyes as she spoke about Jesus always stuck with me. She had a way of making you feel like you had been friends for years even if it was the second time seeing you. I will miss her so much, but I feel very blessed to have known her for the short time that I did. Praying for her sweet family* ❤️
