“ I've known Dee over 20 years. I've worked with her several times over the years at different places. She was nice to everybody. But she also didn't put up with any troublemakers. She could make you smile . What you see is what you get with her .Nothing fake about her. She was a good person. I know I'm going to miss her. Rest in Peace Dee. Your Friend Always, Cathy

“ I haven't seen Dee in years, but always had fond memories of her growing up and living with us when we was all kids. I'm happy she had such supportive children and grandchildren in her life and she was happy. RIP Dee until we all meet again one day! Love and hugs to you in Heaven!

“ *My grannie was literally the best person ever. There was no one else on the face of this planet like her. She was very outspoken and was gonna tell you like it was, but it was all out of love. She'd give the shirt off her back to anyone in need. All of my memories growing up had her in it. I could write books on these memories 🥹 memories that I'll forever hold near and dear to my heart. She loved us all so much & we love her just as much and I can only hope and pray that she knew that!*

*♪♪ I hope you're dancing in the sky
And I hope you're singing in the Angel's choir
And I hope the Angel's know what they have
I bet it's so nice up in heaven since you arrived ♪♪*
