“ I am so saddened to hear about Dennis!! I had the pleasure of serving Dennis and Debbie (and their children) as their babysitter for years. They lived out Hwy 82 and Keith and Stacey were just little things then. Even after they built on Old Farm Road and Josh came along!! Such sweet memories of the whole family!! It was always nice to run into Dennis either at the gas station or Walmart or anywhere out and just catch up! To the kids--remember the love he had for each of you and know that he is with your momma again now!! Such a great man and a great family!! Praying for peace for all of you!! Much love and prayers, Julie Griffin Guthrie

“ We met Dennis over 20 yrs ago, when we moved here and began going to his Chevron station. My late husband and Dennis had lasik eye surgery the same day and at that time you could watch thru a glass window. No Hippa law then. We watched as Dennis had his surgery then my husband was next. They always compared how their eyes were doing after that. A few years ago Dennis and his daughter were at the church I attend and he has been a faithful member since. His presence will surely be missed on Sunday mornings. I have always had a special place in my heart for Dennis and his daughter from the gas station days. I was saddened to learn of his death and his family will be in my thoughts and prayers for a long time.

I worked for Dennis part time at Chevron for about seven years. One of the best people I ever worked for. Always cheerful and carrying on something all the time. He was fair to everyone. He and I were two big Auburn fans and we caught a lot of flack from the Bammers. I will miss you my friend. Go fly high with the Eagles!!
