“ *Kim and George, Your Mom was a wonderful person and I'm blessed that she was my cousin. She always reminded me of Aunt Sara with loving spirit and laugh. She'll be missed here but we'll see her again with other loved ones. Pray for you and your family.*

“My precious friend, my heart breaks and tears just won't stop! I treasure your love and our almost 50 year friendship. You were the first to ever lead me to the Lord! At 14 year old! We've been through so much. The best of times, with our precious grands and “our friend time!” Unfortunately, we shared the worse of times too! Being we each loss a precious child to breast cancer! Then when my second daughter was diagnosed and survived, thank you Lord, you were diagnosed shortly after. You always said the faith and strength Christine had shown was your example to follow! You shared that with her more than once! You were so strong and held your faith for all to see! I'm so proud of you my best and oldest friendship! You are the best mom, the greatest “grandmother” and the most awesome friend God has ever blessed this earth with!! Your love showed in your passion in your work!!! You fought so hard to do your hearts desire!! Driving to the University of AL to obtain your degree. Protecting children and helping parents plan for them!! They were so blessed to have you Dianne! The world was blessed to have you!! I understand why God called you home! Your job on earth was done! You left everyone well prepared to carry on! I know your precious Kim and George will always make you proud!!! They love you so much!!! And your 4 M's!! Your precious four grand daughters!! Your love with guide their way for all their days!!! I'm thankful you will have your time with your son in heaven!! With no restraints or interruptions!!! You certainly deserve it! YOU are his mom! Like the afternoon after the reunion!! What a reunion you are having now with Micheal. And the Love of Your Life, George Mangum welcomed you with opened arms!! I'm so happy for you my precious friend, but I'm gonna miss you so bad! In a few hours we will say our goodbye, but only for a while! Kim and George has planned a well deserved farewell for you. I pray George can say the things in his heart and is able to at the saddest day of his life! I know how he touched all our hearts when he sang “I Can Only Imagine” at Casey's memorial. I'm gonna miss our talks, we shared most days, and visits at lease weekly! Yes, my heart hurts for my loss, but I rejoice for you

honey!!! I love you my friend!! Please give my precious Casey and my sweet sister, Carole, lots of hugs for me till I get there! Love, your "friend". 💜🕊️

Dianne was a good friend(sister friend) of mine. She was always ready with a smile, hug and prayer. She was my prayer partner at work. I will miss her so much, our talks and just laughing. She was such a blessing to me. We now have a beautiful Angel watching over us. George, Kim and your families are in my prayers. Your Mother touched so many people. I love y'all and I am here for y'all. Dianne my friend I love you and will see you again.
