“ I would like to say how sorry I was to hear the passing of Mrs. Woodfin. She has always been a special person to me and her family as well. We went to church together at Prattmont Baptist and she always had a smile and a hug for me. She will be dearly missed, but God has a beautiful Angel and we know she will be watching over us. I send my love and prayers to her family. Thank you for letting me be a part of her homecoming.

*With much love Sheila R. Varnadore*

“ Joyce and family, I didn't find out about your mother's passing away until today. don't know how in the world I missed it or I would have come. She was a dear sweet friend for such a long time. We had lost contact with each other, but were still friends all these years. I am truly sorry. She lived a full life and was able to stay in her home the last I heard. Again, I'm sorry I didn't know. Love to all the woodfins. Lina Lee Mills.
