“ Gail my prayers and thoughts are with you and the family. I was blessed to have met Don and he was always so very friendly. I remember the announcement you sent letting us know that the two of you had gotten married. Your family at Regions was so very happy for you and know the last 12 years were truly a blessing for both of you and you were so happy. He is now up there in his mansion in the sky which the Good Lord had prepared for him. He is no longer in pain. Some day you will both be together again and he will be waiting with open arms. I know that you have some truly wonderful memories which will always be a part of your life. Love you my friend.

“ Don and Gail were my neighbors in Thompson's Station. He was always so quick to offer any help with things. My favorite memory would have to be when Don killed a HUGE snake between our yards. Prayers for all the family at this time.
