“ It is with heartfelt words of encouragement that we say that Donna will be truly missed. She, along with her whole family, have been a blessing to us for years. We have been truly blessed from the first moment that we met when Susan and I met with Mike and Donna after church for lunch in Millbrook and found out that we had mutual friends from Florida to the times on Lake Martin and every time in between. This world is a better place because of her presence. May God continue to be in control and may our Lord Jesus Christ and Holy Spirit continue to give you comfort during these days ahead. May you know that we are always here for you should you need us.

Loving you always, The Green Family - Earle, Susan, Laney and Ryan
