“ From the Children of Phillip and Daisy Banks, Sarah, Mary, Roy, Charles Edward, and Brenda , we want to send our condolence to her family and knew her as a very down to earth person and admire her for being so. She was always so loving and kind to us.

“ I too remember Ms Banks coming to Patsy's every sat morning---she brought me her own special cup that I put her initials on the bottom---it was so dainty---just like her----she definitely was a wonderful loving woman--- she would walk all the way up there to ride back with Mr Banks after his b'fast----I would say "Ms Banks would you like some beast?" She would say "no he wont let me eat this morning"! LOL She will be missed thats for sure but I agree with Leslie---she & Ms Patsy's in heaven drinking that coffee & laughing!!!!

“ *I remember her walking from their home on county RD 20 to Patsy's Kitchen every morning and all the good conversations we would have this holds a very special place in my heart, now her and Patsy are having coffee together like old times, and all the special time she would take with Sierra she always wanted to go Dorothy's house.*
