“ Jane and I want to send our deepest sympathy and sincere condolences on the death of Kathy Gamble. She and Hal were anchors of the Staff and Faculty of the USAF Senior NCO Academy at Gunter annex during the 1970's and highly respected by all. We remeber her as being as beautiful as Hal's roses. God Bless !

*I will always remember her as a true Southern Matriarch of her family. A woman who valued God, her husband and her family. She brought the saying "God first, others second, and me last" to real life. To say that she will be missed is such a gross understatement. I am truly sorry for the loss on this earth of such a beloved woman.*

“ My deep condolences to the Gamble family. Losing a loved one is quite difficult to deal with. Did you know that God promises to eliminate death in the future? We can turn to his word, the Bible, to find such promises. At Revelation 21:4, God tells us that "death will be no more". What an amazing period of time to look forward to! May this bring comfort to you and your family.
