“ *Laurie*

Mother and I are so sorry for your loss. My thoughts and prayers are with you and also with the girls. Eddie was your heart. Things are tough but remember God is always there for you to talk to. Believe me it will not bring him back but it will help in your time of mourning. It also helps each and every day.

If you need anything just give me a call. I love you Laurie.

“ Eddie was a great friend and family man. My family met Eddie and his family while we lived in Deatsville. My daughter, Chloe, played softball with his daughter, Loren, and there wasn't a better softball father than Eddie. He loved to watch Loren play softball. Eddie and Laurie always seemed so happy together. I pray that God comforts Laurie, Loren, and the rest of Eddie's family during this time of mourning. Eddie will be missed but never forgotten. “ I met Eddie over eight years ago, in that time he became as close a friend as I could have. When I needed landscape work for my yard, he was there, when I needed recommendations on doing other things, he was there with them. Most of all I grew close to him thru softball, we weretogether for a few years but even as we split and went in seperate directions my team would be playing and I would hear a voice outside the fence and it would be Eddie checking on how I am doing. These are just a few things I will miss about Eddie. He leaves a wonderful family and may GOD bless them. Will miss you , pappy

Our families have been friends for as far back as I can remember. We had so many fun times as children growing up together and later as adults. We cherish those moments spent together over these last 30 or more years and miss Alan and will dearly miss Eddie. I pray that the Lord will bring peace to the Ross family and know that you all will be in our prayers and that we love you all very much! Arthur & Anne, Robbie, Ginger and Becky
