I write in behalf of the Lee family. I worked with Ed Tanner, in the Fire Dept. station #12 and in his faith of GOD & family, we also go to the same church. Ed stood out and above politics, he was a God fearing man a family man. He was also an officer and a gentleman, a patient man. If he was building a house or a rookie fireman, he used the right tools and trained well, That's because, before he sold a house, it had to be right or sent a young firefighter in a burning building he was prepared and trained. Ed never left his fireman during a fire, he lead by example, on duty or off. Ed stood by his Faith, Family, Friends. We worked shift work , 24 on and 48 off , all the 24 hrs. shifts I spent with Ed Tanner will never be forgotten, I know where he is at today, He even stated " I am going home " Betty's comment was Ed you are at home ! Ed's comment is " no I am going home " , that is where Ed is at today ! Time will separate us for a while, but if you are a child of GOD you will see Ed again. Best wishes to all the family and friends and including all fireman active and retired that still continue to save lives, either by firefighting or like Ed Tanner through his faith. Someone said " you may be the only Bible they will ever read " Ed comes to mind. GOD BLESS !

With love..... Retired Lieutenant Benny Lee and family !
