“ Our sympathies to the Bodiford family on Ed's passing. Was not aware he was sick as we had not chatted on Facebook lately. We became friends as we were Air Force Vietnam Veterans. RIP Ed! You have taken your highest flight and now rest in the arms of him whom protected your life's journey! William B Desmond Jr. Lt. Col. USAF (Ret) & Marge Desmond

“ I wish to convey my sincerest condolences to your entire family. Losing a loved one in death is one of the hardest things that anyone will ever have to deal with. There is a great hope held out to us for the future because God promises to bring those we lost back to life by means of a resurrection to a paradise earth, where sickness and death will be no more. I hope this brief message will bring you a measure of comfort in this difficult time.

“ My heart is breaking. Such a wonderful man, gone, too soon. He was a good man, could always make me laugh. I had an opportunity to buy his lunch last month at Waffle House and told him it was "Christmas in June" and I thanked him for always taking care of George and me, whatever our tax questions happen to be...and George could ask them. Ed always wanted us both to come at tax time. He depended on me to supply the information but he loved to pick at George. He just had a birthday this week. I remember sending him a "Happy Birthday Eve" on Facebook. He was always sending me funny stories in email. He loved being a Grandpa, was always bragging on the grand kids.

*Heartfelt condolences to the family. You are in our prayers.*
