“ Mawmaw, I love you so much. Nobody will ever know the bond you and I had, but I will never forget it. I will always cherish the memories of you. You were the strongest woman I knew and you dealt with the hand you got in the best way you knew possible. Your heart was pure gold and nobody will ever replace you. I hate you had to leave, but I know you are no longer suffering on this cold Earth. Please watch out for all of us and keep us safe.
