“ I’m so sorry for y’all’s loss, I first met Eleanor through the hash, later she was one of the nurses at work, then even later she lived in one of my houses while hers was being repaired. She will be greatly missed.

“ My sympathies to Eleanor’s family. I remember her so well as Nurse at International Paper - short but mighty! She spoke often of her “grand” Alexander. I know you family members will miss her tremendously. I’m very sorry for your loss.
