“ We sat together at little league ballgames. Her husband, Bill was a wonderful coach. Their son, Jim and my son Mike Sanford played on the same team, the Angels. She was a wonderful person and friend and will be missed by all.

E,

“ I worked with Louise for many years in EMS in Montgomery, and she was a wonderful friend and co-worker. I knew her family members as well. She was a 'Hoot' to be around; always friendly and very outgoing. I last saw her about 3 years ago; as we met at the Waffle House in Prattville to eat lunch. She was well liked by all who knew and worked with her across the State of Alabama in EMS. She will be MISSED!!

“ Louise was a wonderful friend of mine for years. She was an inspiration to the members of TOPS AL 0022, Prattville for years as she held many offices, especially that of treasurer, She fought a tough battle, but in the long run, she is at peace. Louise, say hello to all our TOPS friends have have gone on before us.

Lou is my 1st cousin. We were raised together in our little Barbour "commune" in Prattville. We all live next to each other. Had wonderful times growing up together. Years later, Wayne and I would go to Prattville often after we moved to Opelika. We would have dinner with Lou and Bill every time. I pray you are seeing Bill and your family and having family reunion. Hope your dancing to the choir because you surely like to dance and danced well. I love you cuz. Rest in peace!"

Thank you to all the friends and family who have sent prayers and given so much help during this period. As we lay my Mom to rest, please know that she cherished her friends and family. Even in her final days, her face would light up when talking about her dearest friends.
