“ I'm so sorry to hear of Mr. Eugene's passing. I knew him for the last couple of years driving him to dialysis. I used to work with his wife Ms D. I know Eugene is reunited with her and dancing away. Again sorry to hear this.

“ So sorry for your loss! As Lil Gene knows there are lots of stories we have of our visits with Gene & family! Our parents are up there swapping stories again! Nothing new there! Hang in there kid! You know you can contact me or Lori if you want to talk!

Definitely let Lori know if there will be a service!
