“ Hey, this is Hayley, and my Pawpaw was so amazing. I loved every moment I got to spend with him. I know he would be proud of Dad for being the parent he is now. Everyone knows, like father like son. I love you.

“ Gene loved to make people laugh. He was a prankster. I remember riding in the truck with him and Matt as a kid and when Matt had a coke he was trying to to drink, Gene would hit the brakes each time Matt tried to take a sip causing him to spill some of it on himself. Or sometimes when we'd go fishing, he'd pull on Matt's line when he wasn't looking to make him think he had a catch. He loved to laugh, and to laugh with those he cherished most.
