“ Donna and Family, I was saddened to hear of Forrest passing. I worked with him at the Dept. of Corrections Computer room 1982-1986. He was one of the most down to earth people I have ever met. I remember my first day at work and Forrest told me where I could park and also that a cafeteria was near by at lunch time. I would like to thank him for his service to this country during the Vietnam War. He will be surely missed. God Bless You Forrest!
