“ Tank was so wonderful; I remember her as always having a smile and a basket of fruit! Sitting around chatting with her, she was always interested in everything, even trips to the dentist. Having her as my great-aunt was a great blessing. She is now in a place of only peace and joy; my sympathies to you, Kay, and everyone else who will miss her, but I am happy for her that she is in our Savior's arms. We will see her again one day! Much love, Teri Lee... “Blessed are those who mourn, for they will be comforted.” Matthew 5:4
