“ Memories of you flood my mind but I especially remember your soft southern drawl giving out words of wisdom like “In the end all you have is your reputation, so do the right thing “. I loved coming down from NY to visit the family in Savannah and Prattville. I had so much fun the summer you allowed Diane and Linda spend the entire summer with me in the Bronx! I’m happy I was able to come visit you in Gulfport with my mom in September. You remind me so much of my Daddy. I will miss you very much but it comforts my heart that you are now in the company of angels with Uncle Bobby and my Daddy.

*Always in my heart, your niece,  
Debbie*

“ I’m forever grateful for all the memories I have of you. I especially appreciate you and Bobby coming up to NY in my time of need in caring for Dempsey, your brother while he was in hospice. He loved having you here. There are so many other memories as well... Hawaii, the Florida Strawberry Festival, Savannah and Prattville. You will always live on in my heart until we meet again in heaven. Your loving sister in law,  
Mary

“ *What a great honor to know Mrs. Frances! When I first met her at Marble City Baptist Church I instantly sensed a calm peacefulness about her and I am sure that it was the Holy Spirit Who dwelled within her. The joy of the LORD on her sweet smiling face is what I will cherish until I see her again. Thank you for sharing her with us.*
