“ To Keith's family, I wanted to let you know what a wonderful person Keith was and a good friend to me. I sent him a lot of customers because of the fact that he would do them a good job at a very fair price. He will be truly missed. I will miss his witty little smile that he always gave everytime I saw him. Me and him I think started our business at about the same time {1988}. And he always sent me customers and I always did the same. We talked about the good and bad of business and it seemed to help us both. I saw him about a week before the accident and he gave me all kinds of stuff with his logo on them I will keep them forever. I pray that you as his family can find the strength to carry on even though it may be hard. If I can help let me know.

“ To the Muschara Family: It is with sincere thoughts of your family, hoping you will find comfort from the scriptures. How did Jesus react to the death of his friend Lazarus? He wept & he likened death to a deep sleep. Jesus said " I'm the resurrection and the life" John 11: 11,21-25,35-36. Rev 21:3-4
