“ *Donna and family, please know that I am praying for y'all. I know that God's grace is sufficient to meet all your needs. I have so many fond memories of Skipper, going all the way back to the high school days. We had a lot of good times playing softball, too. I didn't see him much during the past several years, but when I did I truly enjoyed it and he was always a blessing to be around. I certainly cherished our friendship over all those years. I know he loved Jesus and is now at home with Him forever. I take comfort in knowing that I will see him again when I get there. God bless y'all!*

“ *His physical space in your life may be gone, but it's not empty. That space is filled with love, memories, pain, laughter, and tears. Grief never ends; it's the price of love. My heart aches for the family. Shine loves light every single day.*
