“ I loved Gail's easy smile, generous laugh and deep appreciation for mischief.

“ I worked with Gail at CCAF for years at CCAF. Many people came and went, but she was the glue that held us together. Through the years, we became much more than peers; we were true friends. I loved her laugh. We shared family high points and many low ones. Gail will be missed for her smile, laugh, warm heart, and so much more. You should have seen her light up the night I introduced her to the Oak Ridge Boys. She sang every word and danced the night away. I will always cherish her friendship.

“ I met Gail when I became Superintendent of Campus Relations at CCAF 2012 - 2014. She was ALWAYS kind and helpful. I learned a lot administratively from her and I am proud to have worked with her. May you rest in peace Gail.

“ Gail and I worked together at CCAF 2009-2011. It was my best assignment in my Air Force career and Gail had a lot to do with that. Lots of laughs, hard work, straight talk and sweet tea. So sad to have lost her so soon, but I'm so glad to have known her. Rest in peace, Gail.

“ Gail was my executive assistant when I served as Commandant, Community College of the Air Force, back in 2005. I truly valued having Gail at my side at CCAF. She was a good person--both fun to be around, skilled, and effective. I considered her a friend. I am greatly saddened to hear of her passing.

“ Denise Johnson (cousin) lit a candle in memory of Gail Baxley Hughes

Denise Johnson (cousin) - February 17, 2024 at 09:53 PM

“ Growing up, Gail was my best friend. My earliest memory of playing at her house, I was around 5 years old. We chased each other with chitterlings, got thrown off a pony, wrecked bicycles, fished at their farm, shopped at the mall, dated cousins and loved scaring her Mama and playing jokes on her, when Gary didn't catch us and make us stop. We were each others maid of honor at our weddings. As adults we weren't together a lot, but when we were or talked on the phone it was like we had never been apart. She and her family were such a big part of my young life. I can't believe she is gone, but she will never be forgotten and she will always be loved and in my heart. Great memories we share forever and always.
