“ He will always be little George or Georgie to me because that's what everyone in the family called him. I remember his blonde hair and tall lanky body and him wanting my moms mustang even though he wasn't of legal driving age. He was always "a sweet boy" according to my Aunt Tommie and that's how I will remember him.

Say hi to the family little George!

“ For 58 years, I never had a name. I was always "George's little brother". He was always a brother I could look up to. Rest In Peace, big brother. Say hello to Daddy for me. I'll see you on the other side.

“ I always looked up to George as the great outdoors-man that he was. He seemed to know every inch of the state, and exactly what to do when hunting or fishing. Since I was the younger cousin, it was a great mystery, and he held the knowledge. I will always think of George fondly. Be in peace, cousin, and we will see you later.

“ *Dear Gayle Family, so many memories of your family are with me as we all grew up in the same neighbor hood, George was older than I , but he was always such a kind person. We were able to reconnect through facebook and shared lots of wonderful childhood memories on our Cabot/Ester street gang. Lots of love to you all.
